

GARDEN DESIGN SCHOOL

Whether choosing a career, changing a career, or pursuing superior mastery in your existing career, how do you determine the best training to achieve your goals?

Garden Design School, a top school in Landscape Design in Great Britain, opened its first program in the U.S. in 2009, in Mass.

Our Garden Design Certificate program offers a unique, intensive, part-time program in Landscape and Garden Design focused on career. Currently we are accepting registration for the 2010-2011 program, which meets at Tower Hill Botanic Garden in Boylston, Massachusetts.

Find out first-hand what the Landscape Design school program is about.
